Expressing Preferences Assignment

Using Google Slides, you will create a powerpoint using pictures to express peoples' preferences.

- Using the 6 of the 8 French pronouns (je, tu, il, elle, nous, vous, ils, elles), pick pictures to represent these pronouns. You may use real pictures (as long as you have permission from the individuals in the photos) or select pictures from online.
- Create a slide of each pronoun you chose.
- Write 5 sentences for each pronoun you picked expressing likes and dislikes of the people in the image you chose. At least 1 dislike must be listed for each pronoun.

Example: ILS

Ils aiment jouer au soccer.

Ils aiment jouer au tennis.

Ils aiment faire du ski.

Ils n'aiment pas faire des exercices.

Ils n'aiment pas jouer au volleyball.
