

Your Guide to The Atom

Atom Shell number	Electrons it can hold
1	
2	
3	

To find the number of neutrons in an atom you need to _____

Subatomic particle	Charge	Mass	Location in atom
	-1		
	0	1	
			Nucleus

_____ : The total number of _____ & _____

Atomic Symbol: _____

Number of _____ Number: _____

Number of _____ which is equal to the number of _____

7
Li
3
